7) The question of meeting the conservancy charges arose at the instance of Government. The Military requested that the charges be met by the Mysore Govt. and sanction had to be obtained for the same in view of the fact that further time was asked to be given to the followers to vacate. Since then sites have been allotted to the followers who have not cared to shift Government are not now interested in the military granting them any more time or ordering their eviction They may take such action as they deem fit. They have not also pressed for payment of the conservancy charges sanctioned and the same has not therefore been paid to them though sanctioned by Government in their order No:L.16373-5/Ml.101-47-5 dated 28-4-48 from the Secretary to Government of Mysore, Revenue Department.

10) The opinion of the D.C. Bldrs Cantonment at para 7 Supra is for perusal As it was at the intercession and Special Request of this Govt that the occupants of the O.T.S. followers lines in question were allowed to stay till the end of Dec'47. the Conservancy charges for the two months of November and December '47 were ordered to be paid from the funds of the Municipal Commission civil station. The fact that the Military have not pressed for payment of these charges So far does not absolve the responsibility for payment, and the amount has however to be paid, if claimed at a future date.

11). The Municipal Commission at its meeting held on 24-5-48 has Resolved that payment the Conservancy charges in respect of these

lines situated in the Military area are not a legitimate charge on the funds of the Municipal Commission which is based on the provisions of Sec 5 of the Bangalore Municipal Law. They are therefore not likely to accept this liability even if the military claimed it at a future date.

12) The point now for consideration is, in view of the Municipal Commission's Resolution dated 27. 5. 48, from what other source the Conservancy charges for November and December '47 have to be paid in case the Military should claim them at a future date, and this is a matter on which decision has to be taken in the Confidential Branch in consultation with the D.C. and the Comptroller. When the charges are not debitable to the funds of the Municipal Commission, there is no action to be taken on this, in the Municipal Branch.

Yours faithfully,

Deputy Commissioner

Copy of U.O.No.7028-J1-48-49 d/ 27-10-48.

The question of meeting the conservancy charges arose at the instance of Govt. The military requested that the charges be met by the Mysore Govt. and sanction had to be obtained for the same in view of the fact that further time was asked to be given to the followers to vacate. Since then sites have been allotted to the followers who have not cared to shift. Govt. are not now interested in the military granting them any more time or

P.T.O

or ordering their eviction. They may take such action as they deem fit. They have not also pressed for payment of the conservancy charges sanctioned and the same has not therefore been paid to them though sanctioned by Govt. in their order No.L.16373-5-ML.101-47-5 dated 28-4-48 from the Secretary to Govt. Revenue Dept.
